## Letter from the Director

Suzanne Dionne | [director@centralcoop.org](mailto:director@centralcoop.org)

The last month of preschool is bittersweet. We are proud of the accomplishments of each and every child here at the Central Co•Op Nursery School. The children have had so many wonderful experiences this year, they have gained knowledge that they will carry with them for a lifetime, friends that will walk with them through the next steps of their journey, and a forever family of devoted parents and teachers. Although we are sad to see them go, we know that they have the tools necessary to begin building the bridge to their future and are fortunate that we were able to be a part of this amazing development.

This amazing Co•Op community has supported our school during an immensely stressful time and because of that we have succeeded above and beyond what we thought possible. Please know that as you embark on the next chapter of your lives that you have made your mark here at the Co-Op that will remain forever. We will never be able to express to you our gratitude for your trust and friendship.

A HUGE thank you goes out to our fabulous teachers and Board of Directors, without their hard work and creativity our school would not be as successful as it is today!

Thank you so much and please keep in touch... we will miss each and every one of you!

Suzanne

## Letter from the Assistant Director

Jill LeMasurier | [jlemasurier@centralcoop.org](mailto:jlemasurier@centralcoop.org)

The Co-Op is thrilled to bring back a favorite experiment this spring! We are hatching eggs! We have had 18 Eggs in an incubator since April 20th. The eggs take 21 days to incubate, and we are hoping for a good hatch on May 11<sup>th</sup>. The children get to see the eggs in the incubator and on hatch day we let them peek in on the baby chicks escaping from their eggs. It's very hard work for a chick to hatch out of an egg and it can take hours. After the chicks gain some strength and "fluff up" the children are allowed to hold the chicks. The delight in their faces is priceless! Hatching chicks is an amazing way to teach the boys and girls about life cycles. Mrs. Dionne's son Kyle's friend is venturing in the backyard chicken endeavor, and we will give him his babies when they are about a week old. We will keep you posted with updates and videos as the 21 days tick along. Fingers crossed for a good hatch.

Dear Families,

Fundraising update! Thanks to our amazing families and friends, our Brickhouse dining night and Hop-A-Thon were both very successful. Our dining night made **\$625** and the Hop-A-Thon made **\$5,840!** We are very grateful for all your support this year! If you have ideas for fundraising for next year, please email me at [vicepresident@centralcoop.org](mailto:vicepresident@centralcoop.org). Thank you so much.

Sincerely,  
Lela Horiuchi  
VP of Fundraising
